Grayson Back at MWC

Grayson Relates Interview With Rebel Leader

By ANN MORAN

A telephone call on Monday night, June 5, 1967, and a 5:00 PM flight to Albuquerque, New Mexico (after receiving his PhD, at 11:30 AM the same day) the next evening, were the beginning of a ten-day expedition that was to take Dr. George W. Grayson, Jr. to the cell of Reises Tijerina ("king tiger") in Santa Fe, New Mexico to interview the leader of the Alianza Federal de Mercedes (Federal Alliance of Land Grants).

Tijerina had been placed in the Santa Fe penitentiary following his arrest on June 5, where no one was allowed to see him except his family and his attorney. Before Tijerina's arrest, the Alianza had been busy campaigning to regain the millions of acres surrounding Albuquerque, Los Alamos and the Kirtland National Forest in New Mexico which the 20,000 members of the Alianza feel belongs to them. They consider themselves the rightful descendants of the original persons to whom Queen Isabella and King Ferdinand had given the rights to the land.

Also before the time of Tijerina's arrest, Santa Fe district attorney, Alfonso Sanchez, had been campaigning for the extermination of Tijerina and his group. Since they had been forced to disband because of "persecution", the Alianza members stormed the court house in the town where the meeting was taking place, Tierra Amarilla.

Although the Alianza's group did not succeed in halting Sanchez, in the combat that followed, two policemen were wounded and a UPI reporter was taken hostage. Francis Lee called in 400 National Guardsmen to handle the situation. Finally, after a five-day search and much harassing of the public on the part of the Guardsmen and the police, Tijerina was found and locked up, up until this time Dr. George

W. Grayson, Jr. had had little more interest in the cause of the Alianza than anyone else who had read the headlines in the major newspapers and simply took in their account of the situation. But on Monday night (June 5), Dr. Grayson received a telephone call from a friend in New Mexico who was doing work with the OEO there.

"Since he knew that I had some contacts with the New Republic, which were just friends, he asked me to see if I could get them (The New Republic) to send someone down to New Mexico to cover the happenings there." The answer this time was "yes", so Dr. Grayson took off at 5:00 the

The Aftermath?

Whidden Stresses "Imperative Of Change" At Convocation

By CAROL ABELL

Dean R. W. Whidden, in his speech at Fall Convocation, discussed the change and ambiguity of contemporary life in relation to academic problems. Dr. Whidden raised such questions

as the possible institution of a junior year in India or Japan, a major in Eastern Affairs, the waiving of required courses, the pass-fall system, and independent study.

In interview, Dr. Whidden stated that "I hope some of these

suggestions would be brought up by the appropriate student or faculty committees."

At present, no steps have been taken toward establishing a junior year in India or Japan. Should one be established, it would not necessarily be connected with one of the colleges in the US-India Woman's College Exchange Program, of which Mary Washington is a member.

In reference to establishing as Eastern Affairs major, Dr. Whidden stated that "I hope we will introduce this proposal to the Curriculum Committee this year." Because the Mary Washington Library is considered the best in the South in Eastern subjects, the college could be capable of offering the major.

Required courses are now being waived by some students, who receive honors of credit, or advanced placement, or both. Most of this is being done using as a guide the Advanced Placement Program tests administered by the College Entrance Examination Board.

Dr. Whidden believes that the waive-system could be extended further in required courses.

"I'm suggesting that even if a course isn't a college level course, but is thorough and challenging academically, we could waive the requirement."

The pass-fall system, for courses outside of the Physical Education Department, is not being considered by any faculty committee. Should a student committee wish to have the system investigated, the committee must see Dr. Whidden to refer this to the correct faculty committee for action.

Independent study within classes has not been planned by any committee, and dormitory seminars are no longer required in Framar and French Hill, though seminars are being held in these dorms this year.

Subscriptions for The Epaulet will go on sale next week. Subscription price is \$1.50, single copies will be sold for \$1.00 each.

Several students from the University of Virginia SSC (Southern Students Organizing Committee) will be here today to discuss SSC's activities on the Southern Campus. They are also interested in discussing the possibilities of organizational work here at MWC.

The meeting will be held at 7 p.m. in the SGA reading room in Ann Carter Lee. All interested students are invited to attend.

Four Juniors Honored for Scholastic Achievement

Four students were honored for outstanding scholastic achievement at the annual Chancellor's Convocation which traditionally inaugurates the school year at Mary Washington College.

Receiving Intermediate Honors, signifying overall 3.75 or higher averages for the Freshman and Sophomore years, in ceremonies on Sept. 21 were Deborah Beldier, Alice Berry Clagett, Lynn Ellen Hopkins, and Nancy Carolyn Walton.

In addition, Miss Beldier, the daughter of Mrs. J. Willis Beldier of Biglerville, Pennsylvania, was named the recipient of the Alpha Phi Sigma Award given each year by the Mary Washington College chapter of the national honorary scholastic fraternity to the member of the Junior Class who maintains the highest academic average during the first two years.

Miss Clagett, a resident of

Upper Marlboro, Maryland, is the daughter of Mr. and Mrs. Hugh C. Clagett, while Miss Hopkins is the daughter of Mr. and Mrs. E. P. Hopkins of Charlottesville, and Miss Walton is the daughter of Mr. and Mrs. C. Wesley Walton of Front Royal.

Also highlighting the ceremony was the presentation of the symbolic baccalaureate hood to the Senior Class by the Chancellor, Making the presentation of the Intermediate Honors and the Alpha Phi Sigma Award was Dr. James H. Croushore, newly appointed Associate Dean of the College.

Book Exchange Called Successful By SGA

The Book Exchange Club, according to chairman Marilyn Preble and co-chairman Sherrie Watkins, proved a great success. Held from September 15 thru September 28, the Club attempted to make the usually hectic buying and selling of classroom books easier. The response by the students was tremendous, and many people have voiced the desire to continue the Club.

The Book Exchange Club occupied the SGA reading room in Ann Carter Lee and usually was open about seven hours each day. Service was on a volunteer basis, with approximately eight girls assisting in the work.

The idea for a Book Exchange Club was introduced by Marilyn Preble at an SGA committee meeting last spring. Approval was granted, and the filing system approach was decided upon as the most effective method. Each book that students wanted to sell was given a number, and as someone bought the book this number was taken from the files. An estimated 7,000 books were handled by the Club.

Although official financial results are at this time unobtainable, the Club reports that approximately \$2,800 in cash and \$1,000 in checks were handled during the Club's operation. Profits will be given to the Student Government Association.

the bullet: 1967- the consideration of merely academic and campus-centered issues cloisters us behind our ivy walls and maintains the old style.

the bullet

[illegible][illegible]

7

the idea is today and what
will be tomorrow

the idea is change - look
back and compare.

our life is driven toward
the desire to evaluate
the faults of the past
and to instigate action
against them.

It is guided toward change...
toward finding a meaningful
existence beneath an
entanglement of
life built upon life -
tearing away the layers of
the unnecessary -
scoffing at the temptations
of the past
and finding life's joys in
people, in nature, in
a meaningful existence.

the idea is our lifestyle 1971.
to this idea we dedicate
the 1971 battlefield.

No... I have never marched
 before
 Yes, I think it will help
 ... help me.
 Would He have done it
 if He knew how we felt?
 Let's go put Him
 Up Against the Wall.
 All we are saying is
 Give Peace A Chance!
 See me ... hear me ...
 touch me ... feel me!!
 Effete Snobs?!
Who is He listening to?
 "Power To The People!
 Off the Pigs!"
 Revolution!
 — in the reflecting pool?
 It is just too hot and
 we're too young and
 soft for the revolution
 today ... or ever.
 Rejoice, rejoice, you
 have no choice,
 but to carry on.
 S. Harder

Dr. Klein

Thoughts unspoken and words
remembered,
Come to me in this time of grief.
If only I had uttered these
inner thoughts,
How glad I would be that
you had heard them.

Thoughts unspoken and words
remembered.
You shall never hear at all.
But please believe
you live today —
Your thoughts were spoken
and your words remembered.

10-6-70
